

# Digital Technology and Culture 338

Washington State University, spring 2008

Assignments due for: **April 2, 2008**

## Assignments:

- [ ] Collect your video images, audio recordings and textual information for your news video and podcast. Start building your storyboard for your video and outlining your script for your podcast.
- [ ] Catch your blog up. Any past assignments you have missed (or ones you want to polish) you can add now and still receive points for those in your final presentation and portfolio piece.

## Readings:

- \* Landow & Delany's handout "Hypertext, Hypermedia and Literary Studies" pgs. 1-44.
