[] Contact another of your five sources (from your source list), for a brief interview **about news happening with the topic**, and post to your blog what you learned about your subject / topic from that discussion in inverted pyramid form. The post will not be counted unless it answers the **who, what, when, where, why and how of a news question (what is the news you are trying to share) and expresses those clearly. Post it by the end of the day Monday, Feb. 18.**

[] Look at what all of your classmates are doing on their blogs, and make at least 1 significant post about that to the DTC 338 Google forum about what you like (**by the end of the day Tuesday, Feb. 19**).
