

Digital Technology and Culture 375
Language, Texts and Technology
Washington State University, spring 2009

Assignments due for: **Feb. 11, 2009**

<http://wsultt.blogspot.com/>

Assignments:

[] **Life Map DUE (50 points – 25 points for your autobiographical section integrated into the overall group map, 25 points from peer evaluations).**

How to earn the map points (25 points)

- Map theme is coherent and consistent throughout, including connection to overall name, purpose (presented as a slice of time), plus illustration style and symbols; it's also presented in a visually dynamic manner and your section blends with the others **(10 points)**
- Each individual section uses at least **10** different symbols, with at least **five** of those also found on other sections of this map; your section tells your part of the story somehow in a significant way; all of those symbols must be explained clearly in the map key, which must be included on the map **(5 points)**
- Craftsmanship, how carefully and artistically this is constructed and integrated into a whole, following the guidelines presented in the Life Map assignment guide **(10 points)**
- Captain leads the team (and presents the map to the rest of the class); **5 extra credit points**

Readings:

- Review readings and lecture notes in preparation of first quiz.
