Digital Technology and Culture 375

Language, Texts and Technology

Washington State University, spring 2009

Assignments due for: **Feb. 4, 2009**

http://wsultt.blogspot.com/

Assignments:

[ ] **Bring an example of a printed text used in an unusual way;** "Gallop" and "The Jolly Postman" were my examples in class. **Please post the title of your pick on the Google group beforehand, to get dibs and avoid repetition.**

[ ] Start bonding with your creativity team; begin collecting symbols you might use and brainstorming ideas for the creation of your Life Map; make a plan as a team and start working on it (due Feb. 11).

Readings:

• Wittgenstein's aphorisms, 37-79; don't forget about the extra credit opportunities available on this; see class blog for more details.
