Assignments:

- [ ] **Create a plan to remediate your group's research project to the web** – Create a one-page plan that will guide your conversion of your group's research into an individual web presentation of either the entire project or an important component of that project. This document will contain the parameters of the remediation, the approach you will take and a timeline of what you need to accomplish to make that happen, giving yourself deadlines to meet over the next two weeks.

REMEMBER. Class will meet at 6 p.m. on April 15 in Dr. Dene Grigar's MOVE lab. Afterward, we will be moving back to our ordinary classroom.

Reading:

- Kac's Telepresence and Bio art, pgs. 177-210.
