Mobile project DUE (200 points)

This will include:

Mobile project plan (described in depth Nov. 4: due and approved around then, **50 points**)

Mobile project delivered (100 points):

Follows plan precisely; achieves goals and deliverables

Mobile project reflection (50 points); 1,500-word reflection on your involvement in the mobile project, what you learned, what questions were raised for future study, how you feel you performed in this group, what connections you made to readings and lectures, etc.

Project manager leads the team (and presents the project to the rest of the class); **10 extra credit points**

AND

Prompt 10 (10 points) – Bring to the class -- via a Google group post – a 250-word reflection on the single most important learning opportunity that this course offered you. What was it that really worked? Why did it work for you? How could this class do more of that kind of thing in the future for other students?
