Group project, peer evaluation form for: **Life Map**

This feedback will be handled securely. Scores and comments, without identifiers, will be shared with the student being evaluated. Yet that will not be done directly, and your confidentiality will be preserved as much as possible. Please be honest, accurate and provide factual justifications for your scores. Up to five points will be awarded in each category. That will be determined by an average of this peer feedback, group results and instructor discretion, for a potential total of 25. Numbers will be rounded up at each 0.5; an average of 3.5, will earn a 4, and the average of 3.49 will earn a 3.
