

Creative Media and Digital Culture 375

Language, Texts and Technology

Washington State University - Vancouver, spring 2011

Assignments due for: **April 13, 2011**

<http://ltspring2011.blogspot.com/>

Script Development

[] Find and share a remediation of your chosen script:

[] Locate an example of your same audio story being remediated elsewhere. Share that example with your group, including a link to the example, and CC to brett.oppegaard@gmail.com, including *at least a 250-word analysis*, sharing what interested you in this particular remediation, how it uses audio in unusual ways and what your group might learn from it **(10 points)**

[] Character sketch

[] Write a 500-word biographical interpretation of the main character you will portray in your audio story, including what you know from the text, what you are interpreting in this character from between the lines and what inspiration you are bringing from outside sources. Share that sketch with your group and CC to brett.oppegaard@gmail.com **(15 points)**
