

Digital Technology and Culture 375
Language, Texts and Technology
Washington State University, fall 2009

Assignments due for: **Sept. 9, 2009**

<http://lutfall09.blogspot.com/>

[] **PICA field trip. Meet the class at the Portland Art Museum, 1219 S.W. Park Ave.**

[] **Prompt 1** (10 points) – Post a thoughtful response on the class Google group to Clive Thompson's piece on the "new literacy," with the link to that article provided on the class blog. Also, in the same place, respond with constructive debate to a post by one of your classmates. (5 points for each of the posts).

[] Start bonding with your creativity team; begin collecting symbols you might use and brainstorming ideas for the creation of your Life Map (for more details, see the Life Map assignment guide, posted on the class blog, under class materials; make a plan as a team and start working on it **(due Sept. 30)**).

Readings:

[] Wittgenstein pp. 2-38. (Left-hand side of the text is in German, right-hand side in English)
